

## FIVE REASONS THAT MAKE US A GREAT CHOICE FOR YOU:

- **SPACIOUS STUDIOS:** The large, spacious studios with sprung Harlequin covered floors offer each student room to fully express his or her movement potential on a surface which absorbs the impact of dance and the space to become moving art.
- **CLASS SIZE:** All classes are limited in size and are kept even smaller for the pre-ballet and beginning levels. This facilitates individual attention, enabling each student to progress at a faster rate of speed, especially when accompanied by home practice.
- **ANNUAL STUDENT CONCERTS:** These Performances of concert caliber utilize carefully selected music and age appropriate costumes with dancers ranging in age from four to adult into professional levels. From the excellence attained and self-confidence nurtured, the dancers through these stage experiences gain the life-long benefits of self-esteem, of the delight of performing and of the assurance of accomplishment. Parents are not expected to sell advertisement or to buy or sell tickets.
- **PROFESSIONAL FACULTY:** Knowing that ballet and dance instructors in this country are not licensed, it is important that all of the Faculty of Rogers Ballet Inc. are highly-qualified adults who are either BFA bound at Friends University or who are already professional educators.
- **GRADED-SYSTEM:** Our proven and carefully planned graded curriculum fosters the steady development of each individual while promoting the life skills of accountability, self-discipline, and creativity - producing a satisfaction of accomplishment and joy of movement.
